

Tetra  **food**[®]

*Advanced nutrition for
healthy fish and clear water!*

We're at the leading edge of advanced technology fish food and all our research is geared around producing products designed to enhance the health of your fish. Our premium staple fish food **TetraPro** is manufactured by a patented production process, that is unlike any flake foods and provides a core of active ingredient concentrate for optimum health and vitality. There's **TetraPro** with omega 3 fatty acids, to give more energy and better growth.

For brilliant colour try **TetraPro Colour** with high-quality carotenoids. And for extra resistance, use **TetraPro Vegetable** with spirulina algae. With over 50 years of experience and research behind us, we have everything you need to ensure years of worry-free enjoyment. www.tetra.net

The experts at making fishkeeping easy

The Festival of Fishkeeping 2011
