Superior to flakes	Excellent fish condition	Two formulas in one	Better water quality	Fish prefer Crisps!
<p>The health and condition of your fish directly depends on the diet you choose for them. That's why Tetra's industry-leading research laboratories developed TetraPro Crisps, to overcome the drawbacks of flake foods. Produced at a lower temperature, and using a completely different production process, TetraPro offers better nutrition for unrivalled health and condition. It also results in less waste production, for improved water quality and clarity. The two-colour process used to make TetraPro also allows the introduction of two formulas into one food, for concentrated benefits on top of a complete, balanced diet. What's more, fish prefer Crisps to flakes, meaning they get a diet they love, as well as one that keeps them in great shape.</p>

## Hounslow & District Aquarists Society

### ***A Message from our Chairman***

*Dear friends and fellow aquarists,*

*On behalf of the 2017 Show Committee and the members of HDAS, I would like to offer you an especially warm welcome to our 54<sup>th</sup> Open Show. Without a doubt, you will notice a difference this year, as we have switched our presentation method to less 'back-breaking' tables instead of the traditional bandstands and scaffold boards.*

*With parking and shopping facilities literally 'on the doorstep' we are sure our visitors will have a great time. HDAS will have their fish/equipment shop and food bar open throughout the Show.*

*We are pleased to have been given Classes Dc (Rift Valley Cichlids) and Mc (Rainbowfish) as this year's FBAS Championship Trophy Classes. Our Diamond Class is U (Single-tailed Goldfish).*

***Again this year, we are closing the books for entries on the Wednesday before the Show and there will be no entries on the day (except for straightforward substitutions in the same Class). We will get the Judging underway much earlier and get the public in as soon as possible. Like all Clubs we want potential new members through the door (in addition to our faithful exhibitors).***

*We all look forward to seeing you at our Open Show either as an exhibitor or as a visitor. Old and new friends, experts or novices to the aquatic hobby, all are welcome.*

*Special thanks go to the FBAS Judges, our Advertisers, Brian Chittenden of Spa Glass, the Show Committee, our Club Members and the Refreshment Ladies, but especially to you for your support.*

*I look forward to seeing you all and hope you enjoy the day*

**Peter Anderson, Chairman 2017**
