

FESTIVAL of FISHKEEPING 2017 Update

We at Simply Koi are extremely proud to be a continuing part at the wonderful Festival of Fishkeeping.

This year, apart from showing and trading some of the world's finest Koi, we will be working in conjunction with Evolution Aqua and showing and selling all of the filter range including the brand new Eazypod Automatic UV at an extremely discounted price.

Also, the tried and tested and very highly thought of Nexus range with, or without the Auto Clean option. Plus, the whole range of UV's and Airtech Air Pumps at never seen before low prices.

All of our wonderful Koi are 100% Japanese. Sizes range from 4"- 24" from Japanese breeders such as, Marudo, Maruhiro, Yamazaki and many, many more.

Be sure to come and see us and have a chat and pick yourself up some serious bargains.

Or, just chat about Koi, we'd love to see you!
