

Show sizes2020

The FBAS show size booklet for 2020 is now available. We have made some changes to class C and Ca and tidied up the livebearer classes where there were some discrepancies with class P (cultivated livebearers) and S (*Poecilia* and *Limia*). Also the usual additions of some of the fish seen in the last show season and some size changes, not all are increases!

If you would like to receive a copy the cost is £3 plus postage (first class 70p, second class 61p). Please email Chris Cheswright and either pay by cheque or bank transfer.
