## Castleford Aquarist Society

## 3rd Catfish & Loach Open Show & Specialist catfish and loach auction

10 July 2011

Lock Lane Centre, Back William Street  
 Castleford  
 West Yorkshire WF10 2LW

This is Castleford Aquarists Society's third specialist Catfish and Loach Open Show, the only show for Catfish and Loaches only in the UK that I am aware of.

There are many interesting and beautiful loaches available and I hope that you will be encouraged to bring along your loaches as well as your catfish. If you don't know the names of your catfish and/or loaches and you want to show them, please bring them along and we will try and identify them for you. If we can't identify them in the time we have, they will still be judged but will be given 5 points for size. This way of judging will hopefully encourage you to bring your fish along, and also represents the fact that we are having a fun day for aquarists. Don't worry if you don't know which class your fish goes in, the judge will be able to advise.

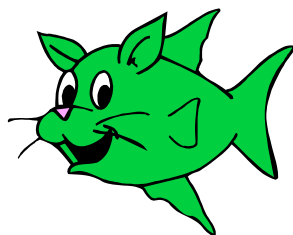

The fish will be judged using the norms and to the pointing system used by YAAS, and for this I would like to thank YAAS on behalf of C.A.S. Because the show classes do not meet the requirements to be deemed a YAAS open show, the show will have its own rules and the decision of the judge on the day is final. I would like to thank Brian Walsh for judging for us, and for his kind and generous donation of the perpetual trophy for highest pointed catfish. Thank you to all our sponsors.

The auction is a specialist auction and is **just restricted to catfish and loach items**, so please bring something to sell.. We will be arranging for some unusual catfish to be made available through the auction. Advanced booking of lots is available from 10 June 2011.

We are planning to have a trade stand for dry goods and the catfish and loach specialist groups will be present.

I hope that the uniqueness of the event and the fact that the way it has been set up will encourage people to show, and to have fun whilst having a chance to see and buy unusual catfish and loaches.

Steve Grant  
Show Secretary

## Rules for Catfish & Loach Show

1. All exhibits to be shown in clear slab sided containers, with no artificial illumination.
2. Judging to YAAS Standards (not rules).
3. All exhibits to be named where possible.
4. Whilst every care will be taken, C.A.S will not accept any responsibility for any loss or damage.
5. No fish to be shown in more than one class.
6. All tanks to have sufficient airspace above the waterline.
7. Pumps are allowed but may be turned off whilst judging
8. Show Secretary's decision is final
9. Photography allowed after **all** judging is finished, **unless** exhibitor places 'no photography' or 'NP' on label.
10. Breeders class-4 fish with spawning date provided. **Minimum age of fish 3 months old.**
11. Pairs classes—true matched pairs
