Tetra

Created by experts to bring out the best in your fish

Superior to
flakes

Excellent fish
condition

Two formulas
in one

Better water
quality

Fish prefer
Crisps!

The health and condition of your fish directly depends on the diet you choose for them. That's why Tetra's industry-leading research laboratories developed TetraPro Crisps, to overcome the drawbacks of flake foods. Produced at a lower temperature, and using a completely different production process, TetraPro offers better nutrition for unrivalled health and condition. It also results in less waste production, for improved water quality and clarity. The two-colour process used to make TetraPro also allows the introduction of two formulas into one food, for concentrated benefits on top of a complete, balanced diet. What's more, fish prefer Crisps to flakes, meaning they get a diet they love, as well as one that keeps them in great shape.

A Message from our Chairman

Dear friends and fellow aquarists,

I am happy to welcome you our third D.J.A.Y SHOW held near Sheffield run to FBAS rules & standards. We was over joyed with the way our first two shows went and have changed the few little problems we had which will hopefully make this show even better again. Not been barred or forced huge increases we are back at last years venue, we have this year printed the pub across the roads postcode to prevent some people ending up the wrong end of Sheffield Road! This year also we have arranged a separate kitchen so the judging area will be kept out of bounds during judging.

*This year's FBAS Championship Trophy Classes are **G & Ta** and for our Diamond class we are holding class L being placed in the top 4 in these classes allow entry into the Supreme Final held at the 2013 Festival of Fishkeeping which will be held over the weekend of the **4th & 5th October 2014** at the Hounslow Urban Farm, Faggs Road, Feltham, Middlesex TW14 OLZ. This new format of festival needs your support so please support the festival.*

We all look forward to seeing you all at our Open Show either as an exhibitor or as a visitor. Old and new friends, experts or novices all are welcome.

Special thanks go to the FBAS Judges, the FBAS council our Advertisers, the Catering Team, but especially to you for your support.

We look forward to seeing you and hope you enjoy the day

Dave Kirk
