

SOUTHEND LEIGH & DISTRICT AQUARIST SOCIETY.

We are once again at Temple Sutton School. Follow the A127 right into Southend picking up the A1159. The entrance to the school is from Eastern Avenue.

The show this year we have managed to pick a weekend that does not clash with a Southend event so that travel to and from the show should be easier.

Classes

This year the championship classes are La and S The Jubilee class is D. If you are entering fish and need an electrical point please let us know.

Sales Table

You will be able to sell your excess fish, plants, foods and dry goods (no electrical goods). Please label everything clearly with the name and price, a sheet will be provided for you to list the things you wish to sell. The club will take a 20% commission so price your things accordingly. Any sub standard goods will not be sold. These will be available for sale throughout the day

We hope to have a trade stand and Siamese Fighters available.

SHOW RULES

- 1) The show will be run in accordance with FBAS Show Rules.
- 2) Exhibitors are to supply their own tanks; SLADAS will supply tanks for class Z.
- 3) No gravel allowed in Classes B to X.
- 4) Entries in breeders classes will comprise 4 fish not older than 14 months on the day of the show (Not before 24/3/13) and must have been bred by the Exhibitor. The date of birth must be stated on the entry form.
- 5) Photography, filming and video taping will only be permitted after judging with the permission of the show manager.
- 6) Whilst every care will be taken SLADAS cannot be held responsible for any loss or damage, however caused.
- 7) The show hall will be open to exhibitors and the public on completion of judging, approximately 3pm. Other attractions are open all day. Prize giving will be at approximately 5.00pm.
- 8) Debenching will take place prior to prize giving, when announced by the show organisers. No debenching to take place prior to this without permission from the Show organisers, and with a Steward in attendance.
- 9) No animals, other than exhibits and Guide dogs, allowed in the show hall.
- 10) ***"Suitability of water"*** It is the responsibility of the exhibitor to ensure that the water, in which their exhibits are shown, is suitable for that exhibit. The organizers will not be responsible for any loss of, or adverse effect on, any exhibit caused by the quality or composition of the local or introduced water supply, which may contain chemicals or differ in quality from that which the exhibit is normally accustomed.

ENTRIES

Entry fee 40p posted, phoned or e mailed.

ALL late entries will be paid for at a cost of 50p, none accepted after
11.30 PM on the day of the show.

Created by experts to bring out the best in your fish

Superior to flakes

Excellent fish condition

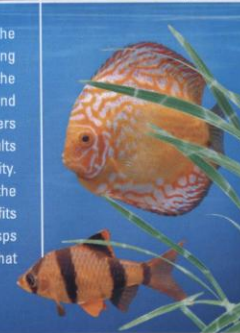

Two formulas in one

Better water quality

Fish prefer Crisps!

The health and condition of your fish directly depends on the diet you choose for them. That's why Tetra's industry-leading research laboratories developed TetraPro Crisps, to overcome the drawbacks of flake foods. Produced at a lower temperature, and using a completely different production process, TetraPro offers better nutrition for unrivalled health and condition. It also results in less waste production, for improved water quality and clarity. The two-colour process used to make TetraPro also allows the introduction of two formulas into one food, for concentrated benefits on top of a complete, balanced diet. What's more, fish prefer Crisps to flakes, meaning they get a diet they love, as well as one that keeps them in great shape.
